

INTERIOR PAINT SYSTEM WARRANTY

Warranty Matrix & Application Framework

Purpose: This document presents the Interior Warranty Matrix contained in the uploaded Gaumaya Paints Interior sheet. Warranty periods are stated in **years** and vary according to the specified undercoat/system.

Interior Warranty Matrix

Interior Topcoat / System	Undercoat / System Component	Performance (colour retention & film integrity)	Waterproofing	Anti-Algal
Gaumaya Ultraguard 15	Gaumaya Ultraguard Basecoat	15 Years	10 Years	10 Years
	Damproof Eco	10 Years	8 Years	8 Years
	Dampseal	7 Years	5 Years	5 Years
Advanced Shyne	Gaumaya Ultraguard Basecoat	12 Years	8 Years	8 Years
	Damproof Eco	10 Years	8 Years	8 Years
	Dampseal	7 Years	5 Years	5 Years
Silky Shyne	Gaumaya Ultraguard Basecoat	8 Years	6 Years	6 Years
	Damproof Eco	8 Years	6 Years	6 Years
	Dampseal	5 Years	4 Years	4 Years
Interior Premium	Gaumaya Ultraguard Basecoat	10 Years	8 Years	8 Years
	Damproof Eco	10 Years	8 Years	8 Years
	Dampseal	7 Years	5 Years	5 Years
Bright	Advanced Primer	3 Years	2 Years	NA

Note: The matrix above reproduces the warranty periods stated in the uploaded Interior sheet. The sheet specifically marks the Anti-Algal parameter for **Bright** as **NA**.

Interior Warranty Conditions & Important Information

The following points are included as a professional framework for communicating and administering the warranty matrix. The detailed Gaumaya Paints Warranty Document remains the controlling document.

1. Complete System Application

Warranty eligibility should be read together with the specified Gaumaya interior coating system and the applicable product instructions/TDS. Surface preparation, compatible undercoat/basecoat and finish application should be carried out as specified for the selected system.

2. Surface Preparation

The substrate should be sound, clean, dry and suitable for painting. Loose or failed coating, dust, efflorescence, mould/algae, cracks and other surface defects should be appropriately addressed before application.

3. Dampness & Water Source

Active seepage, leakage or an unresolved moisture source should be corrected before painting. Waterproofing performance stated in the matrix should not be interpreted as a substitute for resolving structural leakage or waterproofing defects.

4. Product Application

Coverage, dilution, number of coats, drying/recoat intervals and other application requirements should follow the current Gaumaya product label/TDS and the applicable warranty requirements.

5. Warranty Parameters

The matrix states warranty periods for Performance (colour retention & film integrity), Waterproofing and Anti-Algal performance. 'NA' means the parameter is not stated as applicable for that system in the uploaded Interior sheet.

6. Site Conditions

Interior coating performance can be influenced by substrate condition, humidity, moisture, condensation, ventilation, cleaning practices and other site conditions. Applicable exclusions and conditions should be read from the detailed warranty document.

7. Documentation

For warranty administration, retain product purchase details, product/system details and relevant application records as required by Gaumaya Paints. Where applicable, warranty registration or site inspection requirements should be completed as prescribed.

8. Warranty Claims

A claim should be supported with site details, clear photographs/videos, affected area, approximate coating age, products/system used and a description of the observed issue. Gaumaya Paints may inspect the site before determining warranty applicability.

Warranty Parameter Definitions

Performance	Colour retention & film integrity.
Waterproofing	The waterproofing period stated in the matrix for the specified system. It should be read with the detailed warranty terms and is not a structural waterproofing guarantee.
Anti-Algal	The anti-algal period stated in the matrix, subject to the detailed warranty terms and applicable site/application conditions.

Official Reference: This summary is designed for professional customer/dealer communication. In case of any difference between this summary and the detailed Gaumaya Paints Warranty Document, the detailed Warranty Terms & Conditions shall govern.
